Name Trace Request - Karl JUNGER, et al

Reference: EGLA-6028 (net to SALE)

1. Karl JUNGER, no personal data known, former Chief of Hungarian Trade Delegation to West Germany in FRANKFURT. Recalled to Hungary (ZIPPER says June 1953) under pretext of naming him General Director of the export firm Techno-Import, in fact was made deputy section chief, and is not permitted to leave Hungary.

2. Ferenc REBT, successor of JUNGER as chief of the Hungarian Trade Delegation, regarded by ZIPPER as "political criminal" of the group. Has been refused visa by West German Government of late, will probably not reappear in Germany.

3. BALOGH, fnm, about 30, allegedly not a member of any political party. On the last three visits of the Hungarian Mission to Germany, he has acted as chief, since REBT's visa was refused.

4. FREUND, fnm - member of the Hungarian Mission, businessman, no further information.

5. HECHT, fnm, member of Hungarian Mission, businessman, no further information.

6. While the data given are meager indeed, it is hoped that the members of this small trade delegation have become sufficiently known through various sources that further identifying data, at least, can be provided.
